The Glen of Imaal Association

About the Association

It is the only breed club recognised and registered with the Kennel Club.

It was registered in 1982 and celebrates over twenty five years of service to Glens and Glen owners.

We would like to welcome you and give you a brief idea of what the Association stands for.

The Association holds two Kennel Club licensed shows each year.

December is when the Association holds its Championship Show. Always well attended, it gives puppies another chance to qualify for Crufts and their owners a chance to distribute Christmas cards.

Seminars are held on a regular basis

Roaming 'Thro' the Glen the breed magazine is published three times a year.

Its contents include:-

News about Glens

Articles
